**GOV. EASLEY ANNOUNCES CLINTON WILL RECEIVE \$571,000 STATE LOAN FOR
WASTEWATER SYSTEM IMPROVEMENTS**

RALEIGH – Gov. Mike Easley today announced that the City of Clinton will receive \$571,000 from the General Revolving Loan Account for wastewater system improvements.

“These funds will allow the City of Clinton to make much-needed investments in its infrastructure,” Easley said. “This type of investment is key to the area’s success in pursuing economic development opportunities and for improving the environmental performance of its facilities.”

The loan will assist with the construction and replacement of sewer lines.

Work on the project is slated to begin in early 2006.
